To whom it may concern:

I am very proud to be writing this letter to let you know what a fantastic teacher and librarian Ms. Susan Hefley is for the Moniteau School District. As School Board President for Moniteau, I have learned to appreciate the importance of professionalism, dedication and most importantly passion. Ms. Hefley possesses all of these characteristics and is able to impart them onto those around her, both her peers and students. Consequently, as you might expect she is very well respected by her colleagues and students.

She came into a position that had virtually no developed curriculum and enthusiastically built it from the ground up. In fact during her time at Moniteau she has made many very progressive improvements to our elementary library by being creative and innovative which in turn has created an excellent learning environment for the students. It is my pleasure to highly recommend Ms. Hefley as she pursues her educational goals.

I would be pleased to answer any questions you may have, if you need any additional information concerning Ms. Hefley, please contact me at (724) 894-0052.

Sincerely,

Douglas Kimmey
Moniteau School Board President
